EMERGENCY CARDS

Emergency cards are **REQUIRED** for each student. The cards are essential in providing care to your child while at school. An emergency card must be completed and returned to the school nurse. Current work and home telephone numbers for parents and other adults who are authorized to pick up your child must be listed. **Changes in work or home telephone numbers are to be sent to the nurse health clinic.** Cell phones and pagers should be listed.

Students will not be released to anyone not listed on the emergency card.

EMERGENCY CARE – If a student is injured or becomes seriously ill at school and the parent cannot be reached or does not respond, the child will be transported by EMS. Odem Edroy Independent School District does not assume any financial responsibility but will provide or arrange emergency care.
