From The Office Of The Principal

Yolanda Alvaro

Dear Families,

Here we are in the third six weeks, time is flying by and the first semester is almost coming to an end. The report cards sent out today are snapshots of how your child is doing at the midpoint of the semester. Semester grades will be given out next six weeks. Reminder, these are permanent grades that are placed on a student's transcript. The next six weeks will go by just as quickly as these last two have. If your child is doing well encourage them to keep up the good work the rest of the semester. If your child is not achieving to their potential talk to them about their grades and the changes they can make to achieve the grades they will be happy with at the end of the semester. Encourage them to seek help from their teachers.

Parents, you can also contact the teachers as well. Working together will certainly help your child reach their full potential. Just a reminder Living Tree is used as a source of communication. If you have not signed up I encourage you to do so. As teachers post assignments and due dates you can support your child and guide them as needed. If you have any questions you may contact us at 361-368-8121 ext. 100 and provide us your email so that we can assist you in getting set up. We encourage you to take an active role in your child's education. Parents we would also like to thank you for being part of the educational team that is working hard to ensure your child is successful.

Respectfully,

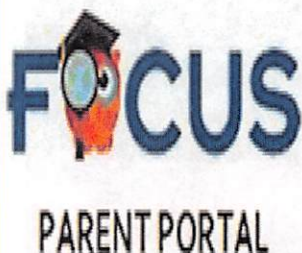

Yolanda R. Alvaro

Holiday FOOD DRIVE

Support our local food drive. OHS Food Drive will begin on November 26th and will end December 12th.

ATTENDANCE MATTERS

Are you signed up for TxConnect-Parent Portal to monitor grades and attendance? Visit www.oeisd.org and click on **Parents**. You will then see the link for **TxConnect-Parent Portal**. Please call the high school office 361-368-8121 ext. 100 if you need any assistance.

We would like to thank all of the parents that attended Senior College night. Great information was provided by our counselor. Mrs. Brown met with all of the seniors to go over the information discussed during Senior College night the following day. Parents if you have any questions feel free to contact Sherri Brown at 361-368-8121 extension 234.

SENIOR NIGHT

Stop it

Stop it is our new reporting system used throughout the district. The system allows students to report things privately just as the Stop Talk and Walk system did. **Stop It** can be accessed through the campuses website. The High School Access reporting code is OHS-Owls.
